Guidance Counsellor
Forsyth High School
P.O. Box 319
Forsyth, MT 59327

Dear Guidance Counsellor:

Josh Hesper was a 1998 graduate of Forsyth High School who died in a tragic accident in October 2013. Josh attended Universal Technical Institute in Phoenix for an associates' degree in diesel mechanics, and at the time of his death he had his own diesel and gas repair shop, Hesper Repair, in Grass Range, Montana.

A scholarship fund has been set up in Josh's name to offer an annual scholarship of \$1,000 to a graduate of either Forsyth High School, Winnett High School, or Grass Range High School who will be attending **a trade school toward a hands-on non-academic occupation** after graduation. If exceptional candidates apply for the scholarship, we may consider offering a scholarship to students from more than one school.

Enclosed is the application form for the scholarship. Please copy the form as needed and distribute it to students planning to attend any accredited trade school (may be part of a regular college). The deadline by which the application and accompanying documents must be mailed and received at the address below or emailed to cheser1948@gmail.com is **May 4**. Josh's family will select the winner and present the scholarship at your commencement exercises.

Thank you for your cooperation.

Sincerely,

Cheryl J. Hesper
