

Robert J. Martelle Leadership Scholarship

Robert J. Martelle served as the District Clerk/Business Manager of the Forsyth Public Schools for just over 26 years. Upon his retirement, he wanted to give back to the school by funding a scholarship available to those students who had participated in activities such as Speech and Drama, FFA, FCCLA and BPA. He believes that while there are scholastic eligibility requirements to belong to and compete in these organizations, that these programs are available to virtually every student regardless of physical ability. He further believes that these organizations help develop skills such as leadership, self-confidence, community involvement and the ability to plan, organize and present ideas to a variety of audiences. These are truly lifelong skills that an individual will utilize throughout their careers and beyond.

This scholarship will be in the amount of \$1,000 and payment will be split equally between the first two semesters of the student's freshman year of college. Payment will be made to the student's account at the college that the student will be attending.

To be eligible for the scholarship, a student must meet the following criteria:

1. Have a cumulative GPA of at least 3.00 on a 4.0 scale
2. Have been a member of at least one of the listed organizations for a minimum of two years including the Junior and Senior years.
3. Complete the scholarship application and return it to the address listed below by the due date.
