

Family Onsite Instruction Opt-Out Form

A family who does not want their student to receive instruction and educational services onsite at the school may request to have instruction completed offsite and/or online by completing this form.

Students of families opting out of onsite instruction at the school facility shall receive offsite, online, and proficiency-based instruction, or any combination of the foregoing at the discretion of the School District in accordance with District Policy 1906. School District staff shall arrange for any combination of physical instructional packets, virtual or electronic based course meetings and assignments, self-directed or parent/guardian-assisted learning opportunities, and other educational efforts available to staff and students that can be relied upon for grade or credit in order to satisfy the minimum aggregate number of hours or determination of proficiency for the requesting student. Students determined to be proficient in one or more courses of the district shall be incorporated in the School District's calculation of ANB, with such ANB fraction to be converted to an hourly equivalent based on the hours of instruction ordinarily provided for the content over which the student has demonstrated proficiency.

I, _____, Parent or Guardian of, _____ a student enrolled in Forsyth Public Schools, request my student receive educational services and instruction at an offsite location and/or for the duration of the declared public health emergency in a manner consistent with the methods identified by the School District.

I understand my student is expected to complete all assigned work and return it to the teacher in order to receive credit toward a grade to be considered for promotion or credit. I further understand that failure to complete work assigned may result in a determination that my student will be retained or otherwise not earn credit.
