

Cherri Potts' Memorial Scholarship

This scholarship was created in honor and memory of Cherri Potts. Funds were generously provided by family, friends, and community members of Cherri. Cherri was a loyal, hardworking, slightly mischievous, family-oriented woman who always had a smile for anyone she met. She had a sincere faith in God.

Cherri Potts worked alongside her husband David on their ranch raising their 3 children in Montana. She worked for 35 years in the Forsyth school system driving bus routes and worked in the kitchen at the school. Even on the days when the buses running out of town were canceled, Cherri's kids were in school because she drove them 20 miles to be in attendance. She believed in continued learning at any age, hard work and helping in your community.
