

### **Notification of Positive Case**

On Wednesday, May 12, 2021, the Forsyth School District was notified an elementary staff member had tested positive for COVID-19. According to the Rosebud County Health Department, they are recommending parents/guardians observe their children for signs and symptom for the next fourteen (14) days. If parents/guardians have any concerns, please contact Rosebud County Health at 346-2156.

It is still recommended that any staff members who feels sick or ill, seek out their medical provider for specific instructions. The School District is in contact with the Rosebud County Health Department and has continued thorough cleaning/disinfecting of the school and facilities. School officials will continue to monitor the situation and will provide further information if and when it becomes available.
