

MONTANA UNIVERSITY SYSTEM HONOR SCHOLARSHIP

Only students who apply will be considered for the MUSHS

What is the MUSHS?

The MUS Honor Scholarship is a 4-year renewable scholarship, that waives the recipient's tuition when used at an eligible campus. The value varies depending upon which campus the student attends (the average value at a 4-year Montana campus is approx. \$5,000 a year or \$20,000 for four years).

The MUS Student Financial Services office offers up to 200 scholarships annually (contingent upon continued funding of the program).

The scholarship does not cover mandatory or class fees. Students should ask their college for a list of fees that are not covered by the scholarship.

How are the scholarships awarded?

Students from each high school will be ranked in GPA order. The individual(s) with the highest GPA* (and all ties for first) will be awarded 30 points, the next highest GPA (and all ties for second) will be given 29, and so forth, until all students with at least a 3.4 GPA are ranked.

Once the GPA score has been determined, this score will be added to the student's ACT or SAT** score, whichever is higher, to create a composite score.

The students with the highest composite scores in the state will be offered a MUS Honor Scholarship.

*GPAs will be rounded to the nearest tenth

**SAT scores are converted to equivalent ACT scores
