

Midland Empire Chapter of Credit Unions

December 21, 2021

PO Box 319
Forsyth, MT 59327

Dear Sir or Madam,

The Midland Empire Chapter of Credit Unions will be offering two \$1,000 scholarships in the spring of 2022 for students wanting to attend college. One scholarship will be awarded to a traditional student, defined as a graduating high school senior or someone in college with less than a three-year gap since high school. The other will be awarded to a non-traditional student, defined as someone who has been out of school for at least three years. These scholarships apply to any accredited college, graduate school, or secondary education facility.

The main requirement to qualify for a scholarship is to be a member of one of the following credit unions:

- Altana Federal Credit Union www.altanafcu.org
- Billings Federal Credit Union www.billingsfcu.org
- Montana Health Federal Credit Union www.montanahealthfcu.org
- Rimrock Credit Union www.rimrockcu.org
- SEG Federal Credit Union www.segfcu.org
- Sky Federal Credit Union www.skyfcu.org
- Valley Credit Union www.valleyfcu.com
- Mountain America Credit Union www.macu.com

I have enclosed a number of scholarship applications for your students. They can also access applications at the websites listed above. The application may be photocopied, if needed. All applications must be submitted to their credit union no later than March 1, 2022. Once we have compiled all the applications, the review process will be completed, and winners will be contacted by April 1, 2022.

Each student that receives a scholarship will be acknowledged during our April credit union chapter meeting. Should you have any questions feel free to contact me at bscala@valleyfcu.com.

Cordially,

Brandon Scala
