FORSYTH PUBLIC SCHOOLS COACHING PHILOSOPHY

The need for job description specifications is becoming obvious with the stronger emphases on credibility and accountability in coaching and sponsoring duties. There is a definite need for criteria to measure coaching/sponsorship accomplishments within the framework of the Forsyth School District objectives for their activity program. These major performance areas stand out above others.

- A) **Rapport** - A coach/sponsor must be able to develop a good rapport with any number of individuals and groups; team personnel, the student body, the professional staff, the community as a whole, spectators, officials, fellow coaches - in and out of the district, media representatives and the parents of his/her players/participants. Good rapport and an image of competency are invaluable for the coach/sponsor. Further, as is the case in all situations when communication occurs between participants, parents, and community members, it is vitally important to remember a successful interaction is based on a positive give and take protocol. Certainly, there will be times when a discussion becomes increasingly intense, however, as a representative of the school it is your responsibility to attempt to keep the conversation moving in a positive direction and demonstrate a demeanor and verbiage of professionalism at all times.
- B) **Cooperation** - The district expects a maximum of cheerful give and take among all individuals associated in any degree with the comprehensive program. Coaches/sponsors must work hand in hand with their Activities Director, Principal, and all other members of the staff.
- C) **Leadership** - Diligence, enthusiasm, honesty and a love for the game/activity are all part of a professional pride that should be exhibited by any coach/sponsor. Personal appearance, dress, and physical condition appropriate to the activity should all be exemplary. Dressing appropriately at practices/meetings and following practices/meetings and building positive attitudes are very important.
- D) **Discipline** - Individually, the coach/sponsor becomes a model of all that the program represents. Observation of school policies, codes, training rules, rules of the game/activity, ideals of good sportsmanship, behavior of participants, both home and away and the conduct of the crowd, especially where the student body is concerned, is reflected to a large degree in the coaches'/sponsors' leadership qualities. A desire to do well, to win well and to lose well should be emphasized. Staff, players/participants and spectators should be motivated toward goals that reflect positively on the school district.

- E) **Improvement** - A coach/sponsor must constantly take advantage of opportunities presented for self-improvement. Attendance at district meetings, rules clinics and Montana Coaches Association clinics is a positive way to develop and expand knowledge. Membership should be maintained in professional organizations and similar groups whose programs are geared toward greater achievement and positive performances. Keeping abreast of current literature in professional journals, newspapers, and magazines as well as utilizing the experience and knowledge of fellow coaches/sponsors is also expected.

COACHING/SPONSORSHIP TECHNIQUES

- A) Use sound and acceptable teaching practices.
- B) Run well-organized practice/meeting sessions with a written practice plan.
- C) Complete preseason planning well in advance of activity start dates.
- D) Adhere to a highly efficient and technically sound program of injury preventions. When injuries do occur, follow a prescribed routine of rehabilitation, and maintain good communications with the participant, parents and medical personnel. If a coach is aware that a student athlete has visited medical personnel for an injury, that student must provide a signed statement from the parent or medical personnel who saw the student-athlete releasing them to participate before they are eligible to practice or play again.
- E) Construct a well-organized game plan for sporting events.
- F) Develop a sound system for equipment accountability, including seasonal inventory, repair, reconditioning, and replacement. All purchases must be discussed with and approved by the Activities Director.
- G) Keep assistants, participants; managers, and parents well informed as to what is expected. Cooperate fully with maintenance staff, transportation personnel, and any/all persons associated with your activity.
- H) From time to time, issues arise with students that require additional support and compassion. These issues include but are not limited to health and family related concerns. When this occurs, a coach/sponsor is expected to respond accordingly and either assist the participant with the unique issue and/or assist the student in locating another individual that can provide counseling and or assistance. In either case the coach/sponsor is expected to respond in a professional manner and offer any support within his/her capabilities.

COACHES'/SPONSORS' EXPECTATIONS

- A) The main reason for having student activities within the school is to help provide opportunities for young men and women to develop their respective capabilities to the fullest extent. Development of positive attitudes is an important means to accomplish this goal. The promotion and teaching of only clean, aggressive, and fair play while stressing the importance of good sportsmanship must be a standard set for all competitive coaches at all times. For noncompetitive groups, the sponsor must stress the importance of cooperation, communication, hard work, and dedication. The coach/sponsor must be the leader and set a positive example.
- B) The coach/sponsor should be fair and unprejudiced with participants, considering their individual differences, needs, interests, temperaments, aptitudes and environments.
- C) Participants have a right to expect coaches/sponsors to have a genuine and up-to-date knowledge of that which they propose to teach and direct.
- D) The safety and welfare of all participants should always be first in the coaches'/sponsors' mind.
- E) The coaches'/sponsors' primary responsibility is to the participant; however, consideration must be given to the participant's family and parents, and an open line of communication will provide a proper avenue for such consideration.
- F) As a coach/sponsor you are a frequent topic of conversation at various community locations, the home, workplace and at meetings of civic organizations. Your profession, as well as your reputation as a coach, is constantly under scrutiny. Your actions and statements should always reflect confidence and respect for the Forsyth School District. Much can be done by the coach/sponsor, in public contacts, to build and maintain a high level of confidence in the activity programs and the school district.
- G) A coach/sponsor owes his/her school his/her efforts and loyalty at all times. He/she must constantly strive for excellence in all areas for his/her school.
- H) To be effective, a coach/sponsor must be respected. To be respected, good personal habits and a neat appearance are important, but most important are the examples set by the coach/sponsor. Being respected is much more important than being well liked. Treat the administration, faculty, participants and general student body with the same honor and respect that you desire to be shown to you.
- I) Private, firm, fair, and consistent discipline must be maintained. A coach or sponsor may not inflict physical pain on a student as a disciplinary measure, nor may they place their hands on a pupil unless it is to quell a disturbance, provide self-protection, or protect the student, other students or property from physical injury or harm.

- J) The work of the coach/sponsor must be an integral part of the educational program of the school. The coach/sponsor should show mastery of the principles of education and consequently, improvement in teaching and coaching.
- K) The coach/sponsor should give support to all endorsed activities of the school district. This includes avoiding open gyms or practices during another sports season or activity. Instead, encourage student-athletes to participate in another sport. At every opportunity the coach/sponsor should urge the student body to be polite, courteous and fair to visiting teams/groups.
- L) A coach/sponsor in the Forsyth School District should continue professional growth in both the academic teaching area (if a District certified staff member) and the activities arena in which they are involved. To best accomplish this, the coach/sponsor should belong to various activities/associations dedicated to the professional well-being of activities programs.

WORKING WITH THE COACHING STAFF AND THE SCHOOL

- A) The makeup of a coaching/sponsorship staff is basically a quasi-autocratic society. The head coach/sponsor should always be in command. Despite the position of authority, the wise head coach/sponsor will encourage independent thought on the part of the staff.
- B) An important factor is human relation skills, which provide for an open exchange of ideas in a respectful, courteous and thoughtful manner.
- C) A wise head coach/sponsor will praise the assistants and award recognition whenever possible. Misunderstandings between coaches/sponsors should be discussed as soon as possible and in an appropriate location away from student participants and other people not concerned with the program(s).
- D) A head coach/sponsor must always realize he/she is ultimately responsible for the program of which he/she is in charge. It is his/her duty to see that all tasks are assigned to assistants and/or carried out by him/herself, and remains accountable for any/all tasks that are not completed properly.
- E) The head coach/sponsor must expect all staff to contribute a full measure of time, effort, thought, and energy to the program. The assistant coach/sponsor must be willing and able to do things they may not wish to do. They must fulfill the responsibilities assigned by the head coach/sponsor and remain accountable if the duties are not carried out appropriately.
- F) It is most difficult to be a good assistant coach/sponsor. The success of the school, programs, and student participants is dependent upon the quality and effort of the

assistant coach/sponsor staff.

- G) One must always bear in mind that his/her activity is not the only program in the school setting. It is a part of a comprehensive activities program and it is the job of the coaches and sponsors to assure the well-being of the total activities program.
- H) A coach/sponsor should support and serve fellow coaches/sponsors whenever possible. All remarks should reflect confidence in one's fellow coaches/sponsors. A strong, harmonious relationship must exist between coaches/sponsors and other faculty members.
- I) A coach/sponsor is responsible for cooperating with every faculty member on the staff. If the coach/sponsor cooperates with the teachers of academic subjects by allowing activity participants to make up a test or cover a missed assignment on practice/meeting time, he/she can be certain that cooperation and help will be returned twofold in efforts by other faculty members to keep the activities participant eligible and to lend an extra hand when the "going gets tough. "
- J) A coach/sponsor is responsible to make certain all components of Title IX, Gender Equity, and the Ridgeway Settlement Agreement, are maintained within his/her program. Any deviation(s) must be immediately reported to the Activities Director for investigation and correction. If you are in doubt it is mandatory that you ask the appropriate administrator for direction.
- K) Volunteer coaches/sponsors may be utilized, if the need arises. Those wishing to Volunteer must send a letter of interest to the Activities Director. They are to be approved and recommended by the Head Coach to the Activities Director at least two months prior to the start of the season for approval. They must be appointed by the Board prior to the start of the season. They must meet all certification requirements of a coach and have a finger print and background check on file with Administration. Volunteers will have the same expectations of an assistant and will be used to enhance practices. Volunteers, when recommended by the head coach and approved by administration, may be utilized during contests, as long as they are on the travel/event list provided by the head coach and will not displace travelers or create issues with the participants or the event. Volunteers, by definition, cannot increase any travel cost to the District.

JUNIOR HIGH & JUNIOR VARSITY ACTIVITY GUIDELINES

- A) Coaches will be responsible for developing programs that emphasize skill development and provide all participants a reasonably equal opportunity to modify and enhance their individual skills.
- B) Coaches will make every attempt to provide for reasonable interscholastic playing time for each participant.

- C) Coaches will align teams to ensure positive experiences for participants in junior high school athletic programs, including consideration of the athletic ability of the opposing teams.
- D) Distances traveled by junior high school activities groups will be kept to a minimum to ensure meeting the physical needs of junior high aged students.
- E) Activities will be appropriate for young adolescents. High school activities will be reserved for high school age students.
- F) Coaching/sponsorship philosophy must promote exploration and winning must be secondary to give students playing/participation experience.
- G) Junior High School and Junior Varsity coaches will work directly with the respective Head High School Coach to develop and enhance programs District-wide.
- H) Junior High School Coaches are volunteer coaches to their respective High School program.

CERTIFICATION REQUIREMENTS PRIOR TO THE START OF THE SEASON

All Forsyth School Coaches, (Head, Assistant, and Volunteer), must have a completed finger print and background check on file with the administration office. They must also hold and have a current First Aid/ CPR/ AED card on file. All coaches must complete the MHSA on-line Sport Specific Rules Clinic and the NFHS Concussion Clinic prior to the start of their respective season each year. It is the responsibility of each coach to submit the results of successfully completing both clinics to the activities secretary prior to the start of the sport season each year. The web-sites are www.mhsa.org and www.nfhslearn.com

All coaches, including head, assistants and volunteers of 6-12 grades must also pass all unit tests of the NFHS Fundamentals of Coaching Education Program. The Activities Clerk can get you set up with an account. Following completion of the program tests, all coaches/sponsors must provide documentation of completion of the program to the activities secretary prior to participating in any practice or activity. It is the responsibility of the coach/sponsor to maintain current certifications. A copy of the certificates should be e-mailed to the activities secretary (mbonomo@forsyth.k12.mt.us) as instructed on the website. Coaches should also keep copies of these results for future verification. Certification is valid for five (5) years.

- H) District Employees must fill out leave request(s) at least **five (5)** school days prior to the scheduled event.
- I) Sponsors must have travel request forms filled out completely and to the Activities Director at least 2 months prior to the scheduled event. If this is not completed in a timely manner, it is possible that transportation will not be provided for your team/group.
- J) A complete list of students who will be traveling to an event on school transportation must be e-mailed to the Activities Director and office at least three (3) days prior to the scheduled event date. *** An accurate list of everyone traveling **MUST** be submitted. Simply turning in a roster is not acceptable.
- K) Any needed purchase orders must be requested a minimum of five (5) days prior to the scheduled travel.
- L) Receipts and purchase orders for all meals, lodging, etc. must be submitted to the activities office immediately upon returning from the activity.
- M) Absolutely no fund raisers for any activity or athletic program should be initiated without the appropriate paperwork completed, submitted and approved by the Activities Director in advance of the fund-raising process beginning. This includes fund raising initiated by support groups and/or parents.

- N) It is the coaches'/sponsors' responsibility to see that all participants follow ALL regulations in the student activity handbook and school handbook.
- O) It is the coaches'/sponsors' responsibility to report ALL violations by participants of the activity handbook or student handbook rules to the Activities Director and/or building Principal as soon as possible.
- P) Supervise student activity participants at all times whenever the team/group has gathered for practice, meetings, games or travel; as well as any other type of group activity or performance.
- Q) Check locker rooms, meeting rooms, practice or game facilities, motel rooms, restaurants, etc., to assure that equipment has been properly put away and facilities have been left in an orderly manner.
- R) Check eligibility of all participants to see that they remain eligible under weekly and semester eligibility requirements.
- S) If a coach/sponsor chooses to have additional rules beyond those set in the activities or student handbooks, a copy of those rules MUST be submitted to all participants at the FIRST meeting of the team/group and a copy MUST be on file in the activities office.
- T) If a coach/sponsor chooses to have volunteer coaches/sponsors, a written request from the head coach/sponsor must be presented to the Activities Director in time to be placed on the Board Agenda one month prior to the start of the activity. Completion of all background checks and related paperwork MUST be completed prior to ANY contact with student participants. It is advisable that all volunteer coaches and sponsors begin the paperwork and background check process 45 days prior to the beginning of the respective sport or activity.
- U) To select teams or make cuts from a team, a list of criteria used in evaluating participants for the activity must be disseminated to all participants by the start of the first day of practice. This list should contain both quantitative and qualitative components including, but not limited to: skill level to complete specific and general tasks [ex: setting a ball, making a pass, dribbling with either hand, speaking in an audible volume, effectively performing within a specific offense or defense], attendance, promptness, effort in practice, team work, cooperation, and leadership. A list of these criteria must be presented to and approved by the Activities Director prior to dissemination to the activity participants.
- V) The District does not provide towels for practices, so Coaches/Sponsors shall not issue towels to participants.

OFF SEASON AND OPEN GYM

The team coaching rule is in affect from August 1-May 31; except during the participants' scheduled activity season. This means that there is to be no coaching of one's team sport (football, basketball, volleyball) out of season other than the one-on-one provision allowed presently. Coaches of individual sports (cross country, wrestling, track and field, golf and tennis) are not affected by this rule. Coaches ARE permitted to coach any/all student athletes between June 1 and July 31 without restriction.

If an open gym is held while the team coaching rule is in effect, Forsyth Schools still requires a paid coach or approved volunteer to be present for supervision purposes. The purpose of an open gym shall be for skill development in an unstructured environment and should not be required during the off-season. Only students of Forsyth Public Schools and approved volunteers or coaches may participate in scheduled open gym activities.

Open Gym Guidelines through MHSA rules allow schools to conduct "open gyms" or "open fields" in any activity. Coaches and schools cannot be involved in out-of-season practice for athletes (except from June 1 to July 31). However, open gyms do not violate MHSA rules if they are conducted according to the following guidelines:

1. The open gym is open to any 7-12 student of Forsyth Schools that is interested in attending.
2. There is no instruction during the open gym, whether by a coach or anyone else.
3. Coaches may supervise open gyms, but they may not instruct, organize drills or participate with the students.
4. There is no organized competition, such as established teams participating in round-robin competitions.

The philosophy for the open gym is that eligible students may attend, for wholesome recreation for purposes of improving their skills, but it is something they do on their own. It would be a violation of MHSA rules to mandate attendance at open gyms or to limit participation based on athletic status.

Please note: District school gyms cannot be used for out-of-season team practices, even though coached by a non-school hired coach, if the team consists of a majority of the school's players. This would be a circumvention of the open gym rule.

To use the school gym during out of season, except June 1 – July 31, the team must be a legitimate AAU or traveling team, coached by a non-school hired coach and must have a schedule approved with the proper forms prior to use. Also, they must follow the district policies for facility use, insurance, etc.

COACH/SPONSOR POST-SEASON RESPONSIBILITIES

- A) ALL uniforms and equipment must be collected. Make sure that all uniforms and equipment are properly cleaned and stored.
- B) Keys must be turned in by all Assistant and Junior High School Coaches.
- C) Head coach/sponsor must submit to the A.D. a report that contains:
 - a. An evaluation of any and all Assistants
 - b. An accurate inventory
 - c. A year-end recap
 - d. Successes, failures, wins/losses, any records broken, etc.
 - e. Participant list and letter winners
 - f. Recommendations for next year and any special requests.
 - g. Special awards and recognition

*These reports are due to the Activities Director before the Head Coach evaluation meeting can be completed and/or all coaches' or sponsors' checks can be released.

SCHEDULING AND SCHEDULE CHANGES OF ACTIVITIES

All scheduling of activities will be handled through the activity director's office. Under no circumstances is a coach/sponsor permitted to schedule, reschedule, add, or delete a practice or event without the specific approval of the Activities Director. In addition, any requests for changes to transportation schedules must be handled through the Activities Director.

Activities will be scheduled with the following considerations:

- Junior High students shall miss no more than 7 periods or one full day per week.
- High School students shall miss no more than 14 periods or two full days per week.

*There may be times when this goal cannot be met due to cancellations and rescheduled events because of weather or other circumstances.

TRAVEL RULES AND REGULATIONS

Each coach/sponsor, when traveling with a team, will stress the standard of behavior to be that of responsible adults. Remind the students that they are representing Forsyth Public Schools, and to conduct themselves in such a manner that the school and community can be proud of them.

ACTIVITY TRANSPORTATION

There are many legal implications regarding school district responsibilities and liability of any student involved as a participant in a school sponsored extracurricular activity. Participating students **and coaches** will be required to ride school-sponsored transportation to and from any activity taking place away from Forsyth. If a coach is unable to accompany the team, arrangements must be approved by the Activities Director.

Students or adults who are not members of the team are prohibited from school transportation without the written consent of an administrator. This does not include student spectators riding on a pep bus.

The only exception to arriving at an activity in anything other than school sponsored transportation will be a written request by a parent for their son/daughter to ride with THEM to the activity by completing an Alternate Transportation form. Under no circumstances is a student permitted to drive themselves or with friends to an activity held outside of Forsyth.

If a student wants to leave an activity with a parent, the parents must talk directly to the coach/sponsor and sign a Release Form to take their child. If, for some reason, the parent may want the student to travel TO or FROM an activity with someone other than a parent, the alternate transportation form must be approved by the Activities Director or Principal at least one school day PRIOR to the scheduled activity. When checking the student out, this other person(s) must talk directly to the coach/sponsor at arrival and/or sign the student out prior to leaving the activity.

Any participant who arrives late for an activity with an announced start/leave time will **NOT** be allowed to participate in the activity for that day.

Coaches, sponsors, and chaperones will be responsible for the behavior of the group that is being transported.

BUS RULES:

- A) Students are to remain in seats while the bus is moving.
- B) Students must properly dispose of all waste material in the receptacle supplied (if food or beverages are allowed on the bus) at the conclusion of each trip.
- C) Students must keep the noise level below that which may disturb the driver and/or coach/sponsor.
- D) Students must comply with all behavioral requirements of the bus driver, coach/sponsor and chaperone(s).
- E) Beverages, if allowed, can be in District vehicles only if they have solid sided containers with lids.

ACTIVITY BUS DECORATING RULES:

The activity bus may be decorated for Post-Season tournament trips. The decorating group is responsible for making sure the bus is cleaned at the end of the tournament.

- A) Window paint markers in purple and white colors only. White does come off easier.
- B) Do not decorate driver's side windows or door.
- C) Do not decorate the first two sets of windows behind the driver on either side of the bus, this causes loss of visibility to the driver.

- D) Do not decorate the rear window at the back of the bus or any emergency exit.
- E) Streamers and decorations may be used as long as the aisle is free and clear of any and all decorations.
- F) Masking tape is the only tape that may be used, all other types of tape strips the paint off the bus and causes damage.
- G) No free-floating balloons or objects that might interfere with the visibility of the bus driver, all objects must be secured.
- H) The bus must have all the decorations, tape and window paint cleaned off within 48 hours of the bus returning from the activity.

OVERNIGHT TRAVEL REGULATIONS

When student travel requires overnight accommodations, the activities office or organization sponsor will make all arrangements in advance of the group departing Forsyth. In severe weather situations, poor road conditions or mechanical difficulties, arrangements may need to be made without prior knowledge.

Hotel reservations may be made on the basis of availability, appropriateness and cost. Rooms will be reserved to allow not more than five (5) students to a room, but in all cases, each student will be provided a bed for sleeping purposes. Not more than two (2) students per double bed will be allowed. (i.e. five (5) students would have two (2) double beds plus one rollaway). Separate accommodations for male and female students will be provided. Coaches and sponsors will also be provided with separate rooms from the students.

Coaches/Sponsors Expectations with Overnight Travel

- 1) Prior to departing on overnight trips, each coach/sponsor will provide a tentative agenda with approximate times to the students and administration involved a minimum of three (3) days prior to the departure date.
- 2) A Hotel rooming list **MUST** be provided to the Activities office a minimum of three (3) days prior to departure for all overnight trips. There will be no more than five (5) students per room, to include two double beds and one roll-away.
- 3) Leave times will be set by the Transportation Director in conjunction with the Activities Director while considering Coach or Sponsor arrival time requests at least a month prior to the departure date.
- 4) Team departure and return times for district/divisional/state competitions will be determined by the following criteria:
 - b) A determination of departure and return time for post-season competition will be made by the Transportation Director, the Activities Director and the Principal based on when the first game, match or activity will be held, the weather and road conditions, and the distance travelling.

- c) For the post-season, if a team can leave by 7 a.m. or later and arrive 1.5 hours prior to the event start time, the team or group will depart on the same day of the event. Otherwise, the team will leave the day before the event.
 - d) In the post-season, if a team or group has secured hotel rooms for their competition, they will remain in the hotel for the duration of their stay. However, each team is required to check-out of the hotel after their last game or match in the tournament (special arrangements may need to be made). They may not stay an additional night without permission of the Administration.
- 5) The number of students representing a team/group at district/divisional/state competition/tournament/activity will be limited to actual team members and managers. A manager must have worked in that capacity for the entire season. For state competition, only actual participant/team qualifiers will be permitted to attend. This includes the team members listed on the official team roster submitted to the tournament director along with alternates.
 - 6) All coaches/sponsors and/or chaperones will accompany and remain in direct supervision of the team/group at all times while traveling.
 - 7) Riding in vehicles other than school provided or sponsored will not be permitted.
 - 7) Coaches/sponsors and/or chaperones must know the location of all students at all times. It is especially important that they are not permitted to run the streets during the evening hours. A reasonable curfew hour is to be set (if an overnight trip) and multiple checks are to be CAREFULLY made.
 - 8) If lodging is required, extreme care should be taken so that students do not abuse motel facilities and privileges. Room checks must be made prior to signing out of the motel. No student will remove, damage, or deface the property of any hotel, restaurant, or site visited.
 - 9) Students are only permitted in the rooms of other Forsyth students of a different gender IF the door is propped open and there is immediate, Coach/Sponsor supervision present.
 - 10) Public displays of affection are prohibited at all times. Violation of this rule will be addressed under the District discipline policy in the student handbook.
 - 11) Phone calls outside of the hotel facility are not to be made from the hotel room phones at any time.
 - 12) Rental or use of video machines, DVDs, games and/or pay per view movies is strictly prohibited.
 - 13) Students are not permitted to leave the facility in which their coach/sponsor is present

without the direct supervision of a coach or sponsor. When permission is granted to leave the facility by the coach/sponsor with a parent or guardian, the student(s) must sign out with the coach/sponsor when leaving and sign back in upon their return.

- 14) One (1) Coach/Sponsor/Chaperone is required for every 12 students who will be traveling for all District sponsored high school activities. Designated male and female chaperones are required for overnight trips that include both genders.
- 15) When traveling with junior high students overnight, there must be one (1) Coach, Sponsor or Chaperone for every five (5) junior high students who will be traveling. This adult cannot also be counted as a chaperone for any high school students unless there are a total of five (5) or fewer students. Designated male and female chaperones are required for overnight trips that include both genders.
- 16) Volunteer coaches will not have their expenses paid for by the District. Volunteer coaches must use personal days for travel, as it will not be considered a school activity for them. The expenses will be paid and school activity status enacted if their attendance is necessary to meet the coach/sponsor/chaperone gender or participant numbers requirement, or to supervise students in multiple venues.

If any emergency should arise on a trip, (e.g., adverse road conditions, injuries or major infraction of rules), the activities director and/or principal will be contacted by phone as soon as possible. Parents will then be notified by the most efficient method.

JUNIOR HIGH TRAVEL

The District allows all junior high teams and organizations to travel for competition. Most travel is expected to be completed in one day. Overnight travel will be allowed for one state contest in which the student has qualified. In the case of band students, overnight travel will only be allowed for state football or basketball contests as outlined in the Pep Band section of the handbook.

For overnight travel, there must be one (1) Coach/Sponsor/Chaperone for every five (5) junior high students who will be traveling. This adult cannot also be counted as a chaperone for any high school students unless there are a total of five (5) or fewer students. Designated male and female chaperones are required for overnight trips that include both genders.

PEP BAND TRAVEL

Pep band travel to tournaments will be based on the following criteria:

- 1) For district and divisional tournaments; the Pep Band may travel to the tournament site each day of the tournament. The Pep Band will NOT stay overnight at the tournament site.

- 2) For state tournaments of Football and Basketball;

SEXUAL HARASSMENT

The Forsyth Public School District is committed to a positive and productive working and learning environment, free of discrimination. Discrimination adversely affects morale and interferes with employee and student ability to work and learn. The district prohibits sexual harassment or intimidation of its employees or students, whether committed by a coworker, supervisor, subordinate, contractor, volunteer or student and finds such behavior just cause for disciplinary action. Whereas sexual harassment substantially compromises the attainment of educational excellence, the District will not tolerate such behavior between members of the same or opposite sex.

Furthermore, the District prohibits retaliation against any employee or student because he/she has made a report of alleged sexual harassment or against any employee or student, who has testified, assisted or participated in the investigation of a report. Retaliation is itself a violation of federal and state regulations prohibiting discrimination and will lead to disciplinary action against the offender.

This policy applies to individuals attending any events on District property, whether or not District-sponsored and to any school-sponsored events regardless of location.

COACH/SPONSOR EVALUATION

There is much more to sponsoring an activity or coaching a sport than merely being present when student participants gather. A coach/sponsor needs a broad spectrum of competencies that must be taken into consideration whenever he/she is evaluated. The intent of the evaluation process used by Forsyth Schools is directed at a broad range of areas that fairly and consistently measure the coach's or sponsor's skills in multiple competencies.

Some of the many areas that a coach/sponsor must be proficient in are: knowledge of adolescent physical and emotional growth, stress factors, fatigue levels, psychological readiness, maturation rates, learning curves, strength development, sequential skills development and modern training techniques.

Further, it is mandatory that written goals and objectives be developed for all extracurricular programs well in advance of the start of the first gathering of student participants. These goals and objectives should serve as the map for guiding and reviewing the success of the many programs, with constant review by the coach/sponsor to evaluate methods of improving the

specific activity.

To implement a comprehensive evaluation of coaches and sponsors, it is necessary to incorporate a multi-step process that will include: a) summative evaluation of assistant coaches by head coach, b) summative evaluation of all head coaches by the director and/or coordinator of activities, c) summative evaluation of all sponsors by the director and/or coordinator of activities.

REQUESTING AN ACTIVITY OR FUNDRAISER

- A) Secure activity/fund raiser request form from the respective building office.
- B) Completely fill out the activity/fund raiser request form, including an outline of the activity/fund raiser, the purpose or goal of the activity/fund raiser, any special equipment or areas that may be necessary to hold the activity/fund raiser, the type of cash needed if a cash box is requested.
- C) Acquire the necessary signatures before presenting the form to the activities office for final approval.
- D) All requests for activities/fund raisers will be completed and submitted to the activities office a minimum of five (5) school days prior to the date of the activity/fund raiser taking place.
- E) At NO TIME will an activity be held without the prior approval of the Activities Director AND principal.

NEWSPAPER ARTICLES

It is the responsibility of each coach/sponsor to regularly turn in articles to the activity office or the Independent Press office regarding games/activities in which your team/group has been involved. As a means of good public relations, this is essential and will be required in a timely manner following competition or activities.

REQUESTING A NEW CLUB, ORGANIZATION OR SPORT

- A) Identify the need for the club/organization/sport.
- B) Write up a proposal stating:
 - a) type of club/organization/sport,

- H) If the Trustees give approval for the club/organization/sport to be formed, an extracurricular activities account will be established in the name of the club/organization by the activities office or the sport will be added to the MHSA list of recognized sports.

- K) Upon formal adoption of the club/organization, requests for fund raisers/activities will be accepted by the building principal and activities director. A completed request **MUST** be submitted for **EVERY** activity or fundraiser **PRIOR** to initiating the activity or fundraiser.

CLUBS AND ORGANIZATIONS

Since the primary purpose of having clubs and activities for the students is to give them the opportunity to learn leadership and life skills, one of your obligations, as a sponsor, is to instruct the students in record keeping and all other duties related to running the organization efficiently. Because of this, it would make your workload much lighter and be beneficial to the students involved if the various paperwork became the student's responsibility under the sponsor's guidance.

***All information and rules contained in the coaches'/sponsors' handbook and the student activity handbook **MUST** be adhered to by the club/organization at all times. It is the responsibility of the club/organization sponsor to see that all of the rules and procedures outlined in these handbooks are rigidly adhered to, unless specific variance to a given rule(s)/procedure(s) is granted by the building principal and director of activities.

The student activity handbook and appropriate student handbook contain rules and regulations that all students must abide by when involved in Forsyth Schools' activities programs. As a

coach/sponsor you are expected to review the contents of these documents, see that all students abide by the rules contained therein, and report to the Activities Director and/or building Principal ANY violations of the rules in an expeditious time

This handbook does not supersede district Policies or state and federal regulations, rules and laws.
