## FORSYTH PUBLIC SCHOOLS STUDENT HANDBOOK

The Student/Parent Handbook and Activities Handbook is available via our website at [www.forsythpublicschools.org](http://www.forsythpublicschools.org) under the *Resources* tab. Please review the handbook carefully with your student and contact your child's school with any questions or concerns you may have. By signing and returning this form you acknowledge you have read and understand all the material contained in the student handbook.

PLEASE NOTE: Federal law requires that "directory information" on your child be released by the District to authorized individuals such as the Montana Office of Public Instruction or other required Federal educational entities. However, if a parent would prefer their child not be included in athletic programs, newspaper articles, the school website, yearbook or other publications, they may **object in writing** to the release of any or all of this information. This objection must be filed in the High School or Elementary office by separate document within ten (10) school days of receipt of this handbook by your child. Typical directory information includes the student's name officially recognized activities and sports, weight and height of members of athletic teams, photographs, grade level, and awards received in school. This limited information may be included in classroom websites, newspaper articles, the yearbook, the Forsyth Public Schools website, athletic websites where game film is posted for recruiting purposes and social media.

I have read the Forsyth Public Schools Student/Parent Handbook and the Activities Handbook. I understand I am responsible for all materials contained therein and agree to abide by these policies established by the Forsyth School Board for the school year.
