

Reach Higher Montana is celebrating
National Scholarship Month
and kicking it off with

stick with Scholarships

**Contest runs
Nov. 1 - 30, 2023**

Thank you for participating in Stick with Scholarships. We've made a couple of improvements this year. We are using sticker sheets this year; hopefully, this works better for you and your students. We have made it easier to enter and given students more ways to participate. Check out the instructions below. If you need more stickers, contact an advisor or email us at info@ReachHigherMontana.org.

All stickers are designed by Montana high school students who participated in our **Design A Sticker, Win A Scholarship** contest.

To enter, students need to:

- 1 Grab a sticker from the sticker sheet.
- 2 Put it on something. (water bottle, notebook, laptop, etc.)
- 3 Take a picture and upload it here.

★ **Bonus** - Get more entries after you upload your picture

▶ To enter, students must be a **Montana high school student in grades 9-12** and plan on attending an accredited institution after high school. The contest will run **Nov. 1 - Nov. 30, 2023**. Winners will be chosen by a random drawing on Dec. 1. Winners will be announced on our Facebook and Instagram pages (Follow us!)

Upcoming scholarship opportunity:
