Dear Guidance Counselor,

The Midland Empire Chapter of Credit Unions will be offering two \$1,000 scholarships in the spring of 2024 for students wanting to attend college. One scholarship will be awarded to a traditional student, defined as a graduating high school senior or someone in college with less than a three-year gap since high school. The other will be awarded to a non-traditional student, defined as someone who has been out of school for at least three years. These scholarships apply to any accredited college, graduate school, or secondary education facility.

The main requirement to qualify for a scholarship is to be a member of one of the following credit unions:

- Altana Federal Credit Union [www.altanafcu.org](http://www.altanafcu.org)
- Billings Federal Credit Union [www.billingsfcu.org](http://www.billingsfcu.org)
- Black Hills Federal Credit Union [www.bhfcu.com](http://www.bhfcu.com)
- Montana Health Federal Credit Union [www.montanahealthfcu.org](http://www.montanahealthfcu.org)
- Rimrock Credit Union [www.rimrockcu.org](http://www.rimrockcu.org)
- SEG Federal Credit Union [www.segfcu.org](http://www.segfcu.org)
- Sky Federal Credit Union [www.skyfcu.org](http://www.skyfcu.org)
- Valley Credit Union [www.valleyfcu.com](http://www.valleyfcu.com)

I have enclosed a number of scholarship applications for your students. They can also access applications at the websites listed above. The application may be photocopied if needed. All applications must be submitted to their credit union no later than March 1, 2024. Once we have compiled all the applications, the review process will be completed, and winners will be contacted by April 1, 2024.

Each student who receives a scholarship will be acknowledged during our April credit union chapter meeting. Should you have any questions feel free to contact me at [bscala@valleyfcu.com](mailto:bscala@valleyfcu.com).

Cordially,

Brandon Scala  
President of Midland Empire Chapter of Credit Unions
