

# 2nd Annual Scholarship Opportunity!

Alcoholic Beverage Control Division (ABCD)- will again award five, one-time, \$2,000 scholarships to high school seniors graduating in 2025 who come up with an original design and write a brief paragraph (explaining design) to create posters, T-shirts, stickers or decals, coasters, billboards, etc. dedicated to the question:

***What does "Alcohol Responsibility Matters" mean to you and your community?***

To qualify, high school seniors are required to be in good academic standing with their current institute of learning. If chosen, the funds will then be deposited with their school/apprentice program/certificate institute of higher education of choice.

Montana's Alcoholic Beverage Control Division (ABCD) is a member of the National Alcohol Beverage Control Association (NABCA) and received an alcohol education award from this organization. NABCA's mission is to support member jurisdictions in their efforts to protect public health and safety and ensure responsible and efficient systems for beverage alcohol distribution and sales.
